

The U. S. Department of Agriculture

officially declares that beer is the purest and best of all foods and drinks, and thus recognizes that Pabst Blue Ribbon Beer is as much a food as it is a beverage.

The Pabst Eight-Day Malting Process gives to the beer the highest food value, while the Pabst Perfect Brewing Process gives it the lowest percentage of alcohol in all beers.

Pabst Blue Ribbon

The Beer of Quality

is therefore a genuine temperance drink which doctors prescribe for the sick and anemic, while temperance workers realize that by encouraging the use of beer they discourage the use of intoxicating liquors.

Drink Pabst Blue Ribbon at meals and between meals and you will find it agrees with you and increases your strength and vitality.

When ordering Beer, ask for Pabst Blue Ribbon.

Made by Pabst at Milwaukee and Bottled only at the Brewery.

The people generally are so disgusted with the last legislature that they probably will in future consider the ability and platform of candidates instead of being guided solely by personal liking. Every "good fellow" with a glad and ready hand, a barrel of gold and an attractive grin that blooms expensive and perennial can not fill a responsible office—Petty Enterprise.
